To Whom It May Concern:

Section 125 of the Constitution Act, 1867 exempts any land or property belonging to Canada or any province from taxation. In accordance with the constitutional rights of Alberta, provincial departments and Crown emanations will not pay Goods and Services Tax (GST) or Harmonized Sales Tax (HST) on their purchases. As such there will not be certificates issued by Canada Revenue Agency for this exemption.

By this letter, we certify that the property and/or services ordered/purchased hereby are being purchased by Travel Alberta, which is part of the Alberta Crown or is listed as a tax-free government of Alberta Agency, and are therefore not subject to the GST or HST (124072513 RT0001).

Any outstanding invoice with Travel Alberta will be processed for payment without the GST or HST, thus eliminating your need to send us a credit note. We trust you will adjust your accounts receivable record accordingly. In future, if the GST or HST is not deducted and clearly identified, payment of your account may be withheld until an adjustment has been made.

Sincerely,

Florin Dudescu, CMA
